

Dear Parents and Students,

The first Sunday of each month, we do our Serve Day. Currently, we are serving with Vineyard Church, helping them do their “Feeding God’s Children” homeless ministry. This allows our students to serve and love the homeless community here in Boise. We would love to have your student join us for Serve Day. Here are the details:

When: We meet in the chapel area lobby at 1 PM. We will return to ECC around 4 PM, but we will have students text you when we are 20 minutes away from ECC.

Transportation: We carpool and have adult leaders drive students in groups of 2-4. Students are not permitted to drive themselves unless the driver and all passengers have let Matt or Chris know that they have parental permission to do so.

What They Will Need: We will provide plastic gloves and all the serving equipment. However, students need wear appropriate seasonal clothes (jackets, gloves, etc. when it is cold, for example) and should wear clothes they can get stained or dirty. Due to the nature of our ministry, we ask students not to “flash” items of value like phones, expensive earbuds, Apple watches, etc.

What They Will Do: Students will help set up for lunch, cook lunch, serve lunch, and clean up the serving area after lunch. They may also have the chance to talk and pray with the people as well. On select months, we will go back to Vineyard to help with cleanup before returning to ECC.

Allergies: We do handle food that includes eggs, dairy, gluten, and peanuts. If your student has an allergy, please let us know so that we can have them serve in a safe and appropriate area.

As always, if you have any questions or concerns, please let us know!

Thank you,

Matt
