

Rise Winter Camp 2022

Info Packet

Dear Parents and Students:

Our annual Winter Camp is coming! Last year, this was an incredible event! We saw the lives of our students change, and we are fully expecting to see that again. For this camp, we spend the weekend at Quaker Hill Camp in beautiful McCall and have a blast learning, playing, and eating together. This is one of the best experiences that we put on all year, and we would love to have your student join us.

Of course, we want to make sure you are well aware of what is happening. This packet should have everything you need. If you need anything else, though, always feel free to call, email, text, fax, or send a postcard to us. We always love hearing from parents.

The Camp

We will be visiting Quaker Hill in McCall, ID. This camp offers a wide range of activities, and students will have free time to take advantage of these. Quaker Hill also offers an indoor area for board games, ping pong, pool, foosball, and more. Weather permitting, there will be hiking, snow tubing, a trip to downtown McCall, yard games, Frisbee golf, and more! In addition to that, we'll be providing lots of great worship times, teaching, and lots of time to hang out, be together, and have fun. There will not be a single dull moment at camp this year!

The Theme

Our theme for winter camp each year is simply "Rise." Ultimately, we want to challenge our students to RISE up and take their faith seriously. To live it out at home, at school, and on their teams every single day. We want them to rise up and become the man or woman God is calling them to become.

We are so excited about Winter Camp! Check out the rest of this packet for more info! To see the recap video from last year, and to see how amazing winter camp really is, check the link on our social media and the youth pages on the website!

The Speaker/Band

If you've been to one of our Wednesday night youth groups, whether in high school or middle school, you know we have some of the best musicians in the valley leading us in worship every week. At camp, it's like that, but even better. We have an absolutely killer band for camp this year. And an awesome speaker for camp! Each year we spend time thinking through who will be the best people to lead worship and speak to your students and we are so excited for our line up this year!

Quaker Hill will provide three meals on Saturday and one meal on Sunday. We will serve students dinner before leaving ECC Central Valley on Friday. We will allow students to bring extra snack food provided they are picking up trash and keeping it tidy. If you have allergy concerns, please contact one of the Students Staff ASAP. Please do not bring snacks containing peanuts.

Medical Issues

We will have a Registered Nurse on site to administer medications, assess basic medical needs, and make initial assessments. The camp location is near McCall and near more advanced medical care, if needed. To ensure safety, outdoor activities will be monitored by camp staff or ECC Students staff.
